**Attendees:**

  - **Possible idea for future discussion.**
- **After reviewing the treasury budget, there will be payouts for the first 3 weeks of September play dates (Sept 1, 8 & 15, 2020), but will need to review how much will actually be paid.**
  - **Working with Greg W. (Pro shop) to determine the result for the past 3 weeks of September play (see dates above), and will determine what payouts should be.**
  - **Results of those play dates are posted on the Web site and printed out in the meeting minutes book.**
- **Chair positions:**

  - **Dues suggestion:**
    - **\$25 for GHIN**
    - **\$25 for General Fund for League**
  - **The player(s) will pay a separate entry of \$10 for play day - be it Monday or Tuesday but not both.**
